Features

- Free from silicone
- Extended cuff (300 mm glove length)
- Tested to EN374
- AQL 1.5 and EN455 parts 1-4
- Ambidextrous
- Unique Unigloves nitrile formulation conforms to the hand during use
- Beaded cuff
- Manufactured with textured palms and fingers
- Ultra-heavy duty construction
- Touchscreen compatible

Benefits

- Silicone free formulation means no finger marks on metal and glass surfaces
- Extended cuff helps prevent liquids getting into the glove when working in wet conditions and provides additional protection from chemical splashes
- Resistant to a range of chemicals
- Meets medical standards including pinholes
- Ambidextrous fit means you don't have to split a pair to replace a damaged glove
- Unique nitrile formulation conforms to the hand during use for a more comfortable fit
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Textured palms and fingers provides improved grip, particularly when working in wet or oily conditions
- Ultra-heavy duty construction is very tough, durable and long lasting
- Suitable for use with mobile and tablet displays without removing gloves
